

Redvers & District 4th Oil Showcase A Success!

The 4th Redvers & District Oil Showcase and Dinner was held on May 10-11th, 2012 – although less than a week prior to that date, the committee was unsure how things were going to go... With 3+ inches of rain in the weeks just prior to the show, the site which was to house our outdoor exhibits was not in the best of shape. But with the help and amazing donations from a variety of companies including but not limited to: Dangstorp Services, Swayze's, & Easy Rider Trucking, the yard was ready to go for exhibitors to move in as planned on Tuesday, May 8th.

The show boasted a record number of exhibitors (137 total between inside & outside) as well as record attendance – near 1500 people. This is attributed mainly due to the increased activity SE Sask & SW Mb has seen in the Bakken play over the last few years. The best place to be is in the middle of the Bakken! Redvers is located right in the middle of this activity and this show helps to create a new awareness about the oil industry in the area and all of the businesses touched by this booming industry.

Organization of an event of this magnitude is definitely a challenge, but is a great experience, we have received great response & feedback from the numerous attendees and those who wish to participate in the next show. The support from the community has been overwhelming – a show this size in a small town cannot take place without the help of numerous volunteers and committees and to them, we say a huge “Thank You”!

Our guest speaker after the sold out dinner on Thursday evening was Patrick Ward, President & CEO of Painted Pony Petroleum Ltd. He gave us a wonderful summary of his background as well as some insight on the general history of the oil industry as well as what is in store for Painted Pony. Comedians from “Puck ‘n Funny” entertained us after the speeches were completed. Enform presented a learning session after lunch on Thursday, where they discussed current occupational health and safety matters within the Saskatchewan petroleum sector and Friday after lunch Enbridge presented on their SE Sask operations.

The following Industry players have generously supported the event through sponsorship as listed:

Gold Sponsors: 24-7 Enterprises Ltd., Acutec Systems Ltd., Classic Vacuum Trucks Ltd., Crescent Point Energy Corp., Dangstorp's Services Ltd., Del Communications, DSG Power Systems, Easy Rider Trucking, Enbridge, Enform, Ensign Energy Services Inc., Equal Transport, Essential Coil & Stimulation Services, FAST Trucking Service Ltd., Fiberglass Solutions, Frontier Peterbilt Sales Ltd., Gibson Energy Ltd., Land Solutions, Lightning Creek Hot Shot, MagnaFab Inc., Mazergroup Construction Equipment Division, Mid Canada Filtration Solutions, Millennium Directional Service Ltd., Northern Mat & Bridge Ltd., Painted Pony Petroleum Ltd.
